Students are requested to go through the summary on the CBCS system stated below before filling up the form. Students applying for undergraduate course will apply on their preferred Honours subject and accordingly will fill up the form for admission.

A SUMMARY OF THE DU UG-CBCS:

With modifications in 2016 Regulations as recommended by the 120th Meeting of the Under Graduate Board held on 19.11.2018 and approved the 115th Meeting of the Academic Council, Dibrugarh University held on 21.11.2018)

What is UG-CBCS?

The undergraduate degree (UG) programme in the Choice Based Credit System (CBCS) will have courses spread across six-semesters of any undergraduate degree course. Two consecutive (one odd and one even) semesters will make up an academic year. An UG course shall be of Six Semesters covering three Calendar Years.

How does it work?

The courses in DU UG-CBCS are categorized primarily into three types of courses - Core, Elective, and Ability / Skill Enhancement courses. All the core and elective courses will comprise of six (6) credits and the skill courses are of four (4) credits.

Core Course:

As the name suggests, a core course is a necessary course that a student must take in order to complete the degree. The number of core courses for Honours and Regular degrees are different.

Elective Course:

An elective course is the one for which a student has some kind of freedom to choose from a pool of courses. There are two kinds of elective courses - Generic and

Discipline Specific:

The generic elective courses are those, which can be chosen by a student belonging to any stream, while the discipline specific elective courses are particular to only the discipline concerned.

However, a student pursuing an honours degree course can choose a generic elective from any other discipline except from the honours course itself.

Ability / Skill Enhancement Course:

An Ability or Skill Enhancement course is aimed at providing the student with skill and ability. These courses have four (2+2) credits each in contrast to the core or elective courses. The ability enhancement courses must be opted by a student and the student can choose papers from a pool of skill enhancement courses.

PREVENTION OF RAGGING IN EDUCATIONAL INSTITUTION

University Grants Commission
Bahadur Shah Zafar Marg, New Delhi - 110002

According to the directions of the Supreme Court of India in *University of Kerala vs. Council of Principals of Colleges in Kerala* ragging within or outside any educational institutions is prohibited. “Ragging” mean doing an act which is likely to cause insult or annoyance or fear or apprehension or threat or intimidation or outrage of modesty or injury to a student.

The University Grants Commission (UGC), New Delhi has also taken stern view of the problem of ragging and has issued the necessary guidelines to curb the same.

The following recommendations need immediate implementation according to the Supreme Court/Raghavan Committee recommendations/UGC instructions:

The Punishment to be meted out has to be exemplary and justifiably harsh to act as a deterrent against recurrence of such incidents Every single incident of ragging where the victim or his parent/guardian of the Head of institution is not satisfied with the institutional arrangement for action, first information report (FIR) must be filed without exception by the institutional authorities with the local police authorities. Courts should make an effort to ensure that cases involving ragging are taken up on priority basis to send the correct message that ragging is not only to be discouraged but also to be dealt with sternness. The Court directed the exploration of possibility of introducing in the educational curriculum, a subject relating to ragging. In the prospectus to be issued for admission by educational institutions, it shall be clearly stipulated that in case the applicant for admission is found to have indulged in ragging in the past or if it is noticed later that he has indulged in ragging, admission may be refused or he shall be expelled from the educational institution.

The Central Government and the state Government shall launch a programme giving wide publicity to the menace of ragging and the consequences which follow in case any student is detected to have been involved in ragging. Role of the concerned institution shall also be open to scrutiny for the purpose of finding out whether they have taken effective steps for preventing ragging and in case of their failure, action can be taken against them too. Anti-ragging committees and squads shall be forthwith formed by the institutions to see that the Committee’s recommendations are observed without exception and if it is noticed that there is any deviation, the same shall be forthwith brought to the notice of this Court and

The Committee constituted pursuant to the order of this Court shall continue to monitor the functioning of the Anti-Ragging Committees and the squads to be formed. They shall also monitor the implementation of the recommendations to which reference has been made above.
