

## Student Satisfactory Survey on Overall institutional performance

Student Satisfactory Survey was done for three semesters primarily 2<sup>nd</sup> & 4<sup>th</sup> Semester 2023 to evaluate the satisfaction of students from the teaching and other factors associated with curricular activities. Periodic evaluation was done among the students to assess the progress of teaching and learning in the institution. A screening committee headed by Principal, CNB College, Bokakhat along with the HoDs of the five departments and IQAC coordinator was involved to monitor the survey.

The students for the evaluation were randomly selected comprising the three semesters from the five major subjects of the college. After the feedback, the principal compile the results and discuss the same with the teacher personally. The principal asked the teachers to improve the factors and parameters which were seen laps or below satisfactory during the survey.
